

State of Wisconsin

Town of Scott

Lincoln County

Purpose: To establish standards for newly constructed driveways to improve safety and accessibility from private lands to public right of ways.

All newly constructed driveways proposed for approval by the Scott Town Board shall meet all of the following criteria:

1. Have a Driveway Permit authorized by the Town Chairman or a Town Supervisor. (Permit Applications can be obtained from the Town Chairman or at [www.townofscott.net](http://www.townofscott.net)).
2. Slope away from any public road to prevent erosion onto any public road.
3. Have an adequate roadbed base of suitable material to support the projected traffic and protect the public road from damage.
4. The requirement of a culvert will be determined by the Scott Town Board and shall be a minimum of 12" in diameter. Larger diameters may be required and will be determined at the time of permit inspection.

Approved by the Town of Scott on this 13 day of August, 2019.
