

# **TOWN OF SCOTT**

## **5 YEAR PLAN 2020-2025**

The following road projects have been identified by the Scott Town Board as needing to be addressed within the next five years.

The time frames identified are approximate and all projects are contingent upon monies we are able to obtain via cost share and other programs as well as the weather.

As time, money, and weather permit, we will continue to haul gravel on roads as they need it and also place a granite lift on Held Street and Maple Grove Road.

### **2020-2021**

Mill Road Bridge Painting (Cost Share).

Widen Wood Avenue to 4 Rods.

Install 60" x 54' Culvert on Sunset Road (Cost Share).

Overlay Tannery Road by Diana Circle and Copper Road (to include paving approx. 250' of gravel on Copper Road).

Expand the Turn Around on Rae Drive and Brandenburg Avenue.

### **2021-2022**

Replace Creek Avenue Bridge on the East End of the Road (90/10 Cost Share)

Overlay Golf Drive

### **2022-2023**

Overlay Lake Road and Brandenburg Avenue from the Stark Building to the town line.

### **2023-2024**

Double Chip Seal Diana Circle and Little Road

### **2024-2025**

Creek Avenue Projects: (Cost Share)

1. Bottomless Arch Culvert in the Middle Section of the Road
2. Brushing and Cutting Trees to Widen Road
3. Move Driveway off of the Curve by VanDerGeest's Property
4. 2 Galvanized Arch Culverts on the West End on the Road
