Good afternoon,

Just as a reminder we do not run on Christmas to be able to give our employees the day to enjoy with their families. Please notify residence as best as possible of the following information:

With Christmas falling on a Monday this year we will be delayed by one day for service.

The week of December 24th, 2023, we will be servicing the trash and recycling for the Town of Scott on Friday, December 29th, 2023.

The week of December 31st, 2023, there will not be any changes in service. The trash for the Town of Scott will be serviced on Thursday January 4th, 2024, as scheduled.

Please let us know if you have any questions!

Thank you!

Alyssa Tank
